Response to Special Office Action

This paper is being filed in response to the Special Office Action dated September 6, 2005.

Enclosed is a copy of the Declaration and Power of Attorney relating to the above-identified application with the signature of Santanu Kumar Das. The original Declaration document was previously submitted on December 24, 2001 executed by all named inventors. However, the signature of Santanu Kumar Das appears to be very faint on our copy and does not appear on the scanned document in the Patent Office Pair System, perhaps because of the faintness of the signature on the document. However, the original Declaration should show that this document was complete when originally submitted with the Missing Parts paperwork on December 24, 2001. We are attaching a copy of the return receipt postcard which indicates that 6 pages of the Declaration were received,

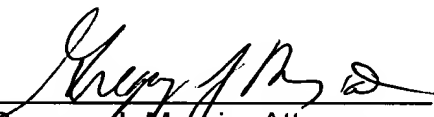

and also a copy of the updated Filing Receipt mailed March 6, 2005 with all 5 inventors listed thereon.

The issue fee in this matter was paid on July 1, 2005.

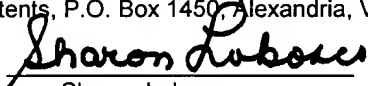

If an additional fee is required, please charge Lucent Technologies
Deposit Account No. 12-2325 the amount needed to cover the fee.

If the Examiner believes that there are any unresolved issues requiring action in the application, it is requested that the Examiner contact Applicant's attorney at the telephone number listed below so that arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

By
